

## § 831.302

(3) *Widow(er)s or former spouses of employees or Members who die on or after April 25, 1987—election not to be included.* OPM will accept a written election from a widow(er) or former spouse who does not wish to be covered by § 831.301(d) provided it is postmarked within the period ending 30 calendar days after the date of the first regular monthly annuity payment.

(4) *Widow(er)s or former spouses of employees or Members who die before April 25, 1987—application to OPM for credit.* Widow(er)s or former spouses of employees or Members who died before April 25, 1987, must apply to OPM in writing to have credit for military service included in the survivor annuity computation. If the survivor annuity is increased by including credit for the military service, the increase will be effective on the first of the month following the 60th calendar day after the date the written application for inclusion of the military service is received in OPM.

## § 831.302 Unused sick leave.

(a) For annuity computation purposes, the service of an employee who retires on immediate annuity or dies leaving a survivor entitled to annuity is increased by the days of unused sick leave to his credit under a formal leave system.

(b) An immediate annuity is one which begins to accrue not later than 1 month after the employee is separated.

(c) A formal leave system is one which is provided by law or regulation or operates under written rules specifying a group or class of employees to which it applies and the rate at which sick leave is earned.

(d) In general, 8 hours of unused sick leave increases total services by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day's absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling within the period are treated as work

days, and no additional leave credit is earned for that period).

(e) If an employee's tour of duty changes from part time to full time or full time to part time within 180 days before retirement, the credit for unused sick leave is computed as though no change had occurred.

(b) *Periods of service for which refunded deductions have not been redeposited, and periods of civilian service performed on or after October 1, 1982, for which retirement deductions have not been taken.* Except as provided in paragraph (c) of this section, a period of service for which refunded deductions have not been redeposited, and a period of creditable civilian service performed by an employee or Member on or after October 1, 1982, for which retirement deductions have not been taken, shall be included in determining length of service to compute the annuity under subchapter III of chapter 83 of title 5, United States Code, only if—
